Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: Reporting to the Executive Director, Academic the interim Dean provides the vision, academic leadership, strategic direction, and operational management for programming and applied research in Civil Engineering Technology, Electrical Engineering Technology, Construction Trades and Electrical, Math and Science.

The interim Dean is accountable for the school's strategic direction, organization, management, program quality and effectiveness; applied research; student success; recruitment and human resource development; development of partnerships and training opportunities with industry, associations and educational institutions; and maintenance of effective community relationships.

As a member of the Senior Academic Committee and President's Council, the interim Dean shares responsibility for the overall planning, direction, policy development, and financial management of the College.

Qualifications:

Required:

- A university graduate degree in a related discipline
- Work experience in one or more of the areas of civil or electrical engineering technology or construction
- Demonstrated success as a dynamic leader with experience at the mid-to-senior management level
- Proven experience in business planning, project management and financial management at the corporate level
- A passion for a learning-centered approach to teaching and learning and a commitment to the philosophies of adult education and continuous learning
- A demonstrated collaborative management style including building and sustaining teams within, between and across organizations, customer service, delivering results, handling complexity and thinking globally
- Excellent interpersonal and group facilitative skills and the ability to initiate and develop effective partnerships and alliances
- Energetic, innovative, creative problem-solver with a commitment to quality, service and accountability
- Teaching experience and familiarity with large post-secondary educational institutions are considered assets
- Cultural sensitivity
- Commitment to lifelong learning

Conditions of Employment:

- Candidates must be legally entitled to work in Canada

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition Number: 2017-002

Closing Date: January 17 , 2017

Salary Range: \$118,264 - \$153,725 per annum

Apply to: Red River College by e-mail at humanresources@rrc.ca

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires an accommodation during the application or selection process, Human Resources will work with the applicant to meet the accommodation needs.
