

Curriculum Developer Program and Curriculum Development School of Construction and Engineering Technologies

*Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions.
Applicants must identify the competition number they are applying for in the subject line of the email.*

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: The Curriculum Developer for the School of Construction and Engineering Technologies will work with the Dean and Chairs, faculty and other stakeholders to plan for, create and develop new and revised programs in career areas offered in the School of Construction and Engineering Technologies and the School of Transportation, Aviation and Manufacturing. Implement new processes and practices related to curriculum development.

Qualifications:

Required:

- Master's degree in Education with emphasis in program and curriculum planning; an equivalent combination of education and experience may be considered.
- Several years' teaching experience at the post-secondary level (preferably at a college)
- Experience in program planning and development and instructional design along with the ability to evaluate these in a post-secondary environment
- Experience in planning, developing, and facilitating workshops and feedback processes such as focus groups, occupational analysis, surveys and strategic planning
- Experience in mentoring and working with faculty to develop, revise and adapt curricula to support teaching and learning at the post-secondary level
- Knowledge of Recognized Prior Learning (RPL)
- Experience documenting programs and processes for ongoing reference
- Strong negotiating skills
- Excellent problem-solving and interpersonal skills
- Excellent verbal and written communication skills
- Ability to work in a team environment and individually with limited supervision
- Values Diversity, Equity and Inclusion
- Commitment to lifelong learning

Assets:

- Training in conducting occupational analysis and gap analysis
- Experience in program review processes
- Experience in quality assurance processes including documentation
- Experience using and/or assessing College-Wide Learning Outcomes
- Training and/or experience in conflict resolution
- Experience conducting educational and labour market research
- Experience in program accreditation and articulation

Conditions of Employment:

- Candidates must be legally entitled to work in Canada

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition Number: 2017-003
Closing Date: January 19, 2017
Salary Range: \$62,451 – \$85,449 per annum
Apply to: Red River College
