Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties:

Reporting to the Manager, ITS Enterprise Applications the incumbent will work as a lead to develop and support both custom and purchased computer applications. Duties will address all stages of software procurement from initiation to implementation which include researching, evaluating, designing, coding, testing, and delivery in a project managed environment. The incumbent must be experienced working with complex software systems and use their technical skills to provide viable and practical solutions to the problems at hand. This includes working within departmental best practice and legislated guidelines.

Required Qualifications:

- Extensive demonstrated experience developing web applications using Visual Studio .NET
- Experience at a senior level leading complex enterprise projects from inception through to implementation
- Demonstrated experience working with large databases, SQL and transactional procedures
- Demonstrated troubleshooting and problem solving ability with attention to detail
- Demonstrated ability to work with minimum supervision when working to meet multiple competing deadlines
- Diploma in Information Technology or Computer Programming; an equivalent combination of education and experience may be considered
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

Assets:

- Degree in Computer Programming or Information Technology
- Experience producing applications that adhere to external standards such as Payment Card Industry, Accessibility, FIPPA, and PHIA.
- Experience working with external vendors and their products to provide user support as well as local data integrations
- Effective conflict resolution skills
- Project management certificate

Conditions of Employment:

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Incumbent must provide a current and satisfactory Criminal Records Check
- This position may be required to work overtime

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition Number: 2017-149
Closing Date: January 19, 2018
Salary Range: \$56,777 - \$77,695 per annum*

**The successful candidate will receive a market supplement of \$4,710 to \$6,449 per annum respectively, respectively, pro-rated on an hourly basis.*

Apply to Red River College by email: humanresources@rrc.ca

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or selection process, Human Resource Services will work with the applicant to meet the accommodation needs.
