Required Qualifications:

- Degree in Business or Computer Science
- Several years of industrial experience as Business Analyst
- Several years of experience in project Management
- Excellent interpersonal skills
- Demonstrated leadership skills
- Ability to work independently as well as collaboratively in group settings
- Ability to use conflict resolution techniques to facilitate positive outcomes
- Excellent written and oral communication skills
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

Assets:

- Master in Science degree
- Previous Teaching experience
- Certificate in Adult Education or current enrolment
- Experience in Agile or Scrum methodology

Conditions of Employment:

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends

We seek diversity in our workplace. Indigenous persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition Number: 2018-102

Closing Date: July 19, 2018

Salary Range: \$57,723 - \$85,733 per annum*

**The successful candidate with a Masters or PhD in a related field will receive an Educational Supplement of \$2,725 or \$5,450 per annum, respectively, pro-rated on an hourly basis.*

Apply to Red River College by email: humanresources@rrc.ca

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or interview process, Human Resource Services will work with the applicant to meet accommodation needs.
