

# Indigenous Language

## CERTIFICATE PROGRAM

Learn how to read, write and speak Anishinaabemowin (Ojibwe) using the double vowel system. Help meet the Indigenous language revitalization needs within Manitoba communities by acquiring the skills to achieve successful employment.

### DETAILS

- One-year certificate
- Delivered at the Notre Dame Campus, Winnipeg
- Fall entry date
- Two three-week practicum placements

### EMPLOYMENT POTENTIAL

Through immersive and bilingual formats, students will become fluent in Ojibway language and culture, develop spoken and written English skills, and receive mentoring to prepare them for the job market. Students will also develop in-demand competencies for the medical, education, legal, social services and cultural/media career sectors.
